The Prize Winner of the 2022 (the tenth) Nishina Asia Award

The Nishina Memorial Foundation has determined that the 2022 (the tenth) Nishina Asia Award be awarded to Dr. Suvrat Raju, Professor, International Centre for Theoretical Sciences, Tata Institute of Fundamental Research, Bengaluru, India for "his original and influential insights into the resolution of the black hole information paradox and the principle of holography in quantum gravity."
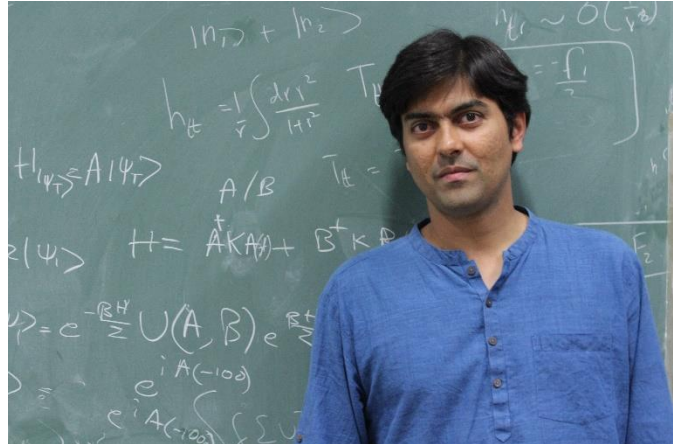

Curriculum Vitae of
Suvrat Raju

Citizenship: India

Current Appointment:
Professor, International Centre for Theoretical Sciences, Tata Institute of Fundamental Research, Bengaluru, India (from January 2022).

Past Appointments:
Associate Professor, International Centre for Theoretical Sciences, Tata Institute of Fundamental Research, Bengaluru, India (January 2017–December 2021).

Reader, International Centre for Theoretical Sciences, Tata Institute of Fundamental Research, Bengaluru, India (September 2012–December 2016).

Ramanujan Fellow, Harish-Chandra Research Institute, Allahabad, India (October 2010 – September 2012).

Postdoctoral Fellow, Harish-Chandra Research Institute, Allahabad, India (August 2008 – September 2010).

Education:
Harvard University, Cambridge, MA, USA
Degree: Ph.D. in Physics (September 2002– May 2008)
Thesis: Supersymmetric Partition Functions in the AdS/CFT Conjecture
Advisor: Shiraz Minwalla

St. Stephen's College, University of Delhi, India
Degree: B.Sc. (Hons) in Physics (July 1999– May 2002)

***Honors and Awards*:**
ICTP Prize (2019).
Swarnajayanti Fellowship (2018).
Saraswathi-Cowsik Medal (2015).
INSA Medal for Young Scientists (2013).
NASI-Young Scientist Platinum Jubilee Award (2013).
